

**CARACCI CLASSIC  
GOLF TOURNAMENT**  
De Anza College Auto Tech  
21250 Stevens Creek Blvd.  
Cupertino, CA 95014

Dear Friend,

Watching our students grow and improve their skills in three years is what we at De Anza College Auto Tech are here for. As we watch them and get to know them, it is exciting to witness the competitive nature of the students when they find out there are scholarships available each year. The source of income for these scholarships is the Carraci Memorial Scholarship Fund, which generates its funds through the annual golf tournament. This is where we need your support.

As we continue to award these deserving students with scholarships, we also need to raise money to keep this tradition alive. Our goal is to provide more students with higher amounts for scholarships. We, as supporters and faculty, benefit with tax deductions and seeing students better prepared for a career in the automotive industry.

We need golfers to play in the tournament. We need sponsors and donors to help with the costs of putting on this event:

- As a player you have the opportunity of enjoying a day at the golf course by playing golf, enjoying the camaraderie of the other players, and enjoying the meal at the banquet that follows.
- As a corporate, company, or banquet sponsor you have the opportunity to donate needed funds for our scholarship and the opportunity to advertise your company at the course and/or banquet room.
- As a donor you have the opportunity to donate gifts that we can use either for the drawing or the silent auction. Everyone at the banquet will have the opportunity to purchase drawing tickets and, in our unique drawing, pick only the items of interest to be eligible for winning. Each drawing item will have the donor's name posted on the item for all to see. The silent auction gives attendees the chance to see who has bid for a particular item, and then out bid everyone.

Your help is greatly appreciated by the entire tournament committee, the entire faculty and staff at De Anza Auto Tech, and most greatly by the students that benefit from the scholarships.

Sincerely,  
The Caracci Classic Golf Tournament Committee  
The De Anza College Auto Tech Dept
