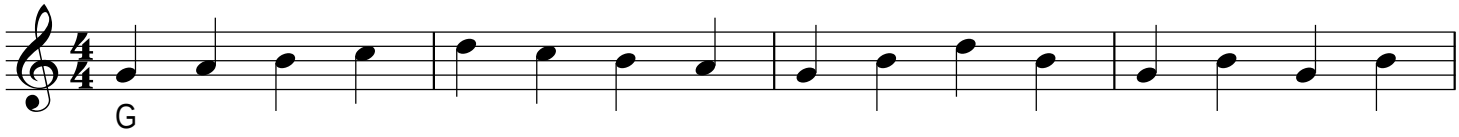
Note Speller 3

Third, second, first strings, rhythms with dots and ties

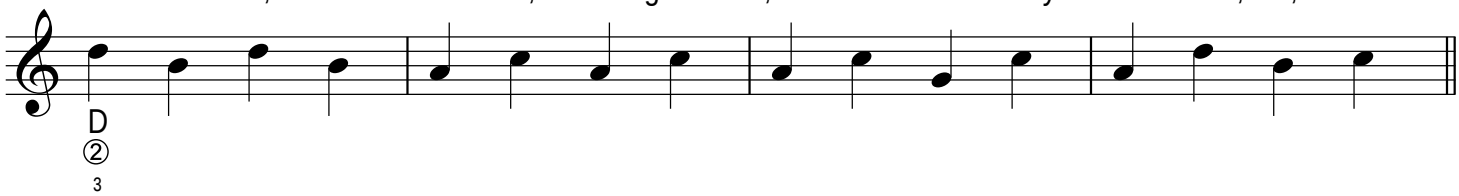
Name: _____

Date: _____

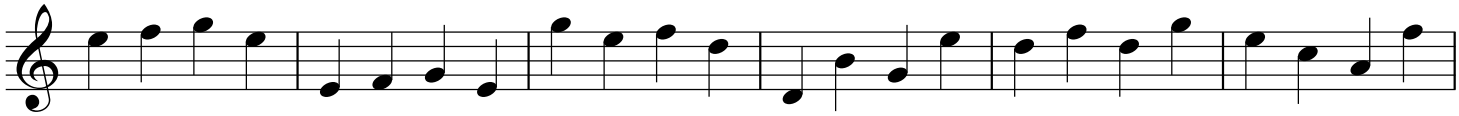
1a. Write the name of each note on the second and third strings



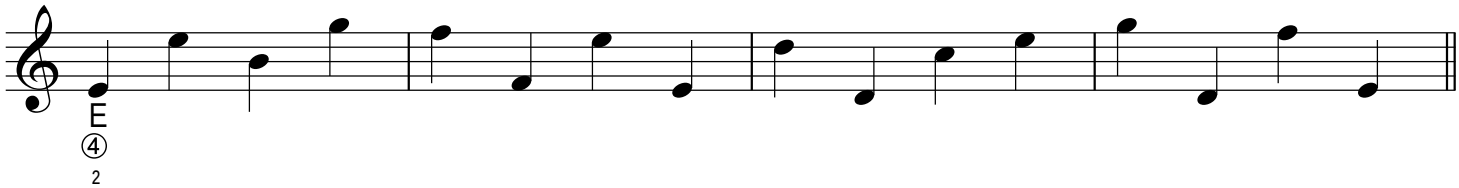
1b. Below each note, write the note name, the string number, and fret on which they can be found, i.e., D② 3



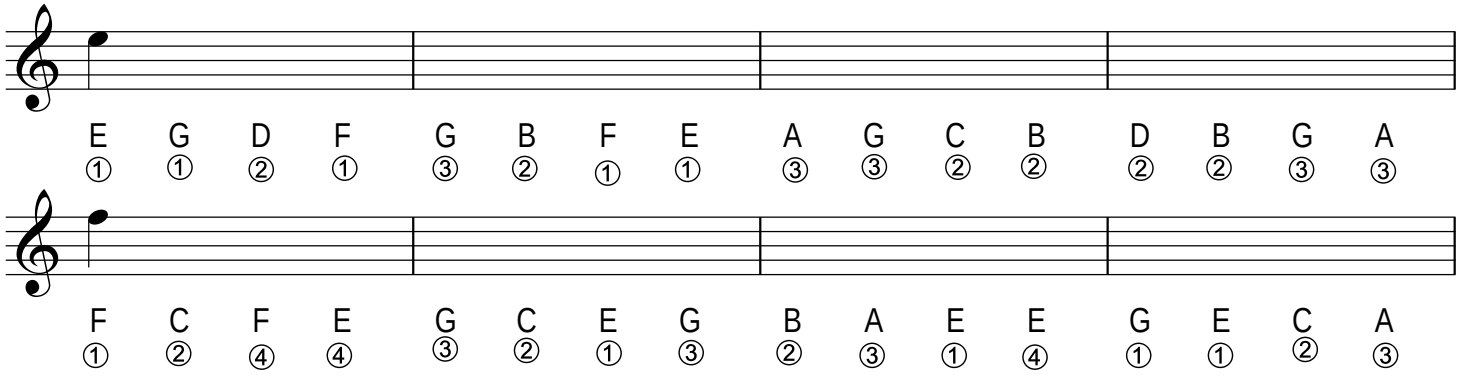
2a. More notes: review of the fourth string, add first string. Write in the name of each note.

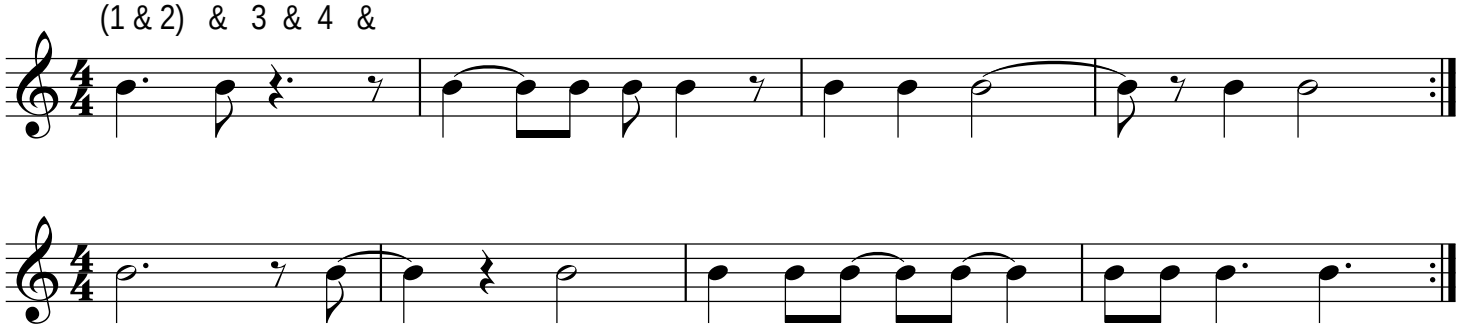


2b. Below each note, write the note name, the string number, and fret on which they can be found



3. Write the notes indicated. Use quarter notes, with the appropriate stem direction.





4. Rhythm: please indicate, using parentheses, the duration of each rest, note or tied group of notes larger than one eighth. Remember, spacing between notes does not affect their duration. Practice clapping each line.
