

Would you like to practice your listening and speaking skills?

The Listening and Speaking Center (LSC) is the answer! This quarter we will be offering a variety of programs in ATC 304:

LSC Activities

- **Workshops:** Practice conversation, learn a popular song, and more!
- **Tutoring:** Practice speeches, work on vocabulary, and get other help in one-on-one tutoring sessions.
- **Language Exchange:** Improve your English while helping another student learn your first language. The Language Exchange will take place from 11/7 to 11/18. Applications are available in ATC 304 or on our website.

LSC Resources

- **Recording Rooms:** Just bring your USB drive or iPhone to practice and record your presentations and get feedback from your peers.
- **ESL Software:** Improve your English communication skills using interactive software programs.

For more information, visit ATC 304 or our website at <http://www.deanza.edu/studentsuccess/listening-speaking-lab/>. You can also contact us at (408) 864-5385 or sudakanako@fhda.edu.
