

## **Cultural Knowledge Interview - Topic and Interview Guide Approval Form**

The cultural community I am interested in learning more about is:

Who will you interview and why did you choose them? What specific aspects/cultural dimensions about this person's cultural community do you hope to find out?

List the resources (at least three) you have used so far to educate yourself about this cultural community and to help you develop your interview questions.

**\*Attach your TYPED, interview guide (15-20 open-ended questions) to this sheet and submit by:\_\_\_\_\_.**
