

| Date | Lecture Session | Lab Session |
|------|--|--------------------------------|
| 1/10 | Welcome, Introduction CH 18 Endocrine system | Endocrine system |
| 1/12 | CH 18 Endocrine system | Endocrine system |
| 1/17 | CH 18 Endocrine system | Lymphatic system |
| 1/19 | CH 22 Lymphatic system & immunity | Lymphatic system |
| 1/24 | CH 22 Lymphatic system & immunity | Digestive system |
| 1/26 | CH 22 Lymphatic system & immunity + Review | Digestive system |
| 1/31 | Lecture Test 1 CH 18, CH 22 | Nutrition |
| 2/2 | CH 24 Digestive system | Nutrition |
| 2/7 | CH 24 Digestive system | Lab Exam 1 |
| 2/9 | CH 25 Metabolism and Nutrition | Lab Exam 1 |
| 2/14 | CH 25 Metabolism and Nutrition | Urinary system |
| 2/16 | CH 26 Urinary system | Urinary system |
| 2/21 | CH 26 Urinary system | Storyboard presentations |
| 2/23 | CH 27 Fluid, electrolyte and acid – base balance | Storyboard presentations |
| 2/28 | Lecture Test 2 CH 24, 25, 26 + Review | Storyboard presentations |
| 3/1 | CH 27 Fluid, electrolyte and acid – base balance | Storyboard presentations |
| 3/6 | CH 28 Reproductive systems | Reproductive system |
| 3/8 | CH 28 Reproductive systems | Reproductive system |
| 3/13 | CH 29 Development and inheritance | Development and inheritance |
| 3/15 | CH 29 Development and inheritance | Development and inheritance |
| 3/20 | Biotechnological applications in health & diseases | Final Lab Exam [comprehensive] |
| 3/22 | Biotechnological applications in health & diseases + Review | Final Lab Exam [comprehensive] |
| 3/28 | Final Lecture Test [comprehensive] | WEDNESDAY 1:45 pm to 3:45 pm |
