

Extra Credit (6 points) – Due by Thursday July 30, at the beginning of class.

Write a word problem, and work out the solution, that you would like to see on the final exam. If I like the problem, I will put it on the final. Keep in mind the following:

- The problem should be from material covered during the course.
- Do not copy problems out of the book – if I find that you copied a problem out the book, you will receive no credit.
- This is an individual assignment – if two people turn in the same problem, neither will receive any credit.
- If you do not want to write a word problem, you will need to receive permission from me by showing/telling me what you have in mind.
- Creative problems are more likely to be picked to be put on the final.
