Academic work is incomplete for unforeseeable, emergency and justifiable reasons at the end of the term. At least 75 percent of the class must have been completed to qualify for Incomplete status. If this course ' $A$ ' is a prerequisite for another course ' $B$ ', student cannot register for course ' $B$ ' without successfully clearing the incomplete in course ' $A$ '. The student cannot register for course ' $A$ ' again without first clearing the incomplete and actually receiving the substandard grade.
