

# Student Learning Outcome Core Team

## Meeting Notes for March 17, 2022

**Present:** Veronica Avila, Karen Chow, Mae Lee, Mary Pape, Dawn Lee Tu

**SSLO and AUO assessments through CAS Standards:** Work is continuing with care to make the connection between assessments and the student service area outcomes.

**SLO assessments completed since 3/2020:**

Template was shown and discussed. It is very similar but perhaps the summary of assessments section is easier since it mimics what it will be like in eLumen.

**2022 Convocation:** Friday, May 13 in HiFlex room/modality so that we are offering all another opportunity to check out this new delivery method.

Some ideas on topics were: Faculty Burnout, Mental Health for Classified Professionals, Faculty and administrators as well as students. Debbie Lee is planning a presentation on similar topic.

**Next Meeting:** Thursday April 14, 1:00 – 2:00 pm.
