

Chair of Finance Candidates

1. Manal Farooqui

a. Previously involved in Circle K

b. Personal Statement

Throughout my time at De Anza, I've noticed that the student community shines through, fostering a culture of involvement and inclusivity. The different clubs, programs and events at De Anza are all part of the reason why it's one of the best colleges and top in transfers. There's something for everyone to be part of and enjoy, which is why I love it. A lot of people come to community college to just finish their two years quickly and then transfer but I believe that it's about more than that and I want to build connections and be involved wherever I can be. The ICC is the reason for all these clubs and events through their dedication to making everyone's experience at De Anza the best it can be. I would love the opportunity to be able to give back and be a part of the ICC and contribute to their successful efforts with all the clubs. I think I am good for the ICC Chair of Finance position because my organization skills, dedication to my tasks, along with my knowledge of finance and accounting as a business major, will allow me to be successful in this role.
