

Resource Allocation Program Planning (RAPP) Committee

Personnel Prioritization Process - Fall 2025

The RAPP committee reviewed new and carryover positions (between spring 2024 and fall 2025) in fall 2025 and would like to advance the following four buckets containing instructional faculty and noninstructional faculty positions to College Council for consideration. The positions are not ranked within each bucket. Summaries of each position are available upon request. All position request forms are available [online](#).

Recommendation to College Council, December 4, 2025
