

MATH 32 + Co-Requisite (32-Q02/232-Q02)
De Anza College-Winter 2023

Instructor: Maryam Arvizu - arvizumaryam@fhda.edu
(Always start your e-mail subject line with "Math 32/232-Q02")

Class Meetings:

*We will meet **on Zoom on Tuesdays from 4-6:15pm**

*We will meet **on campus on Thursdays from 4-6:15 pm- Room MLC 112**

* For Monday Meetings please refer to weekly/tentative schedule. Most of your quizzes are scheduled on Mondays. (During the class time from 9:30 - 11:45 am.)

We will meet Jan 9th on zoom!

(Math 32 and 232/432 are combined in one class. You just need to access one canvas course.)

During our class meeting we will go over the lectures from our online book. You can reach our book through canvas. Please see below on how to access the class material. All our assessments will be online and through campus.

Office Hours: Tuesdays 3:30-4, Thursdays 3:30-4

Withdrawal/Drop Policy:

It is the ultimate responsibility of the student to formally drop the class. Do not rely on the instructor to drop before the dates listed by school.

1/22/23 Last day to drop a class without a W

3/3/23 Last day to drop with a W

Required Course Materials: Lumen OHM

This course uses OHM, a set of digital course materials instead of a traditional textbook. You can access all readings, videos, quizzes and other activities **Through Canvas**. You can either purchase right at the beginning or start a 14 days trial period through canvas and before the trial period ends, purchase. The cost to purchase OHM is \$25.

Accessing OHM Course from Canvas:

Student Instructions to log into OHM via Canvas:

1. **Log into Canvas and click on one of the OHM assignments**
2. **You will be prompted to enter an access code, buy direct, or start the 14 day free trial. (We will NOT be using the “access code” option)**

OHM Technical Support Recommendation:

When issues arise, Lumen works with our school’s help desk, bookstore, and other resources as needed to solve problems for students.

Students rarely have technical support issues. When they do arise, they can be resolved by doing one or more of the following:

Updating the browser. Trying a different browser (Chrome or Firefox are recommended)

Restarting the computer. Asking instructor and/or institution’s help desk for help
 If none of the above resolves the issue, the instructor can connect the student with Lumen’s Support Team by providing student contact information, the course ID and a description of the issue via the yellow Help button in the upper right corner of OHM.

Evaluation:

Grades will be determined as follows	
Assignment (online Hw)	17%
Quizzes (7 out of 8 Quizzes) - Each 2% The lowest Quiz will be dropped	14%
Exams (3 out of 4 exams) - Each 17% The lowest exam will be dropped	51%
Bonus Assignments	1%
Final - Comprehensive	19%

Online Hw: Each chapter has a few sections. There is an online hw for each section. Online hw will be close on the exam day for that chapter. You can take these assignments as many times as you need until they close. For most problems, there are videos attached that help with solving the

problem. Once pass due date you can not open them so please plan accordingly with respect to due dates.

Online Quizzes: The quizzes will be available online as well and also be **accessible** during the time we are going over any particular chapter. However you can take each quiz only twice (Lowest out of two will be dropped). Also unlike the hw assignments, there is a time limit on these quizzes. So you have to complete the quiz within the time assigned to that quiz. There will be 8 quizzes and **The lowest out of 8 will also be dropped.** Quizzes will be over your hw assignments. To receive full points on each problem, you have to attach your work. You can take a picture of your work and upload to each problem individually or you can upload a picture of your work for all problems to the last problem on a quiz or exam.

Only writing answers will not be enough. Since these assessments are online the initial grade reflects the grade the program assigns. However I will go over each problem manually and look at your steps and work and the grade will be adjusted accordingly. The same applies to your exams but not to other assessments such as hw or bonus assignments.

Online Exams: Exams will be available on the day they are scheduled. (refer to the schedule on the bottom of the page). You can take each exam only once. I will keep each exam **accessible** for the full day, on the day they are scheduled. However once opened they have to be completed within the time allowed (similar to your quizzes). You can not take breaks or close the exam. Usually time allowed is 2-3 hrs depending on the exams. **The lowest Exam will be dropped.** Exams will be very similar to hw assignments and quizzes. I actually will get the questions from hw and quizzes. So if you practice and practice your hw and quizzes you will do very well on the exams.

Bonus Assignments: There are a few bonus assignments. You can receive up to 1% if completed. The setting on bonus assignments will be the same as your homework assignments.

Please:

Do not wait until it is too late to complete assignments or study! If possible, start a study group! Take advantage of the Tutoring available in school. **Important: In order to receive full points on your quizzed and exam you have to show full work by uploading your work in the box provided under each question.**

Make-Up:

There are no make-ups for missed exams or quizzes. Missed Exams/Quizzes will have a Zero grade. (The lowest exam/quiz will be dropped- Except for Final Exam)

Changes to Tentative Schedule

Information on this syllabus may be changed during the quarter, but I will inform you in advance via email/Canvas announcements.

Academic Integrity:

We are responsible for our actions and behavior in the class. Please note that any behavior that is not appropriate, may be reported to the PSME dean and subsequent action may be taken.

Other Information:

- All students are expected to understand the college policy on cheating as outlined in the student handbook. **Plagiarism (submitting another's work as your own) will result in an immediate failure for the course for your entire group.**
- Read the **Frequently Asked Questions** on the website for other policies and procedures.
- If you feel that you may need an accommodation based on the impact of a disability, you should contact me privately to discuss your specific needs. Also, please contact Disability Support Services (864-8753) or Educational Diagnostic Center (864-8839) for information or questions about eligibility, services and accommodations for physical (DSS), psychological (DSS) or learning (EDC) disabilities.
- **Students have a choice of enrollment type for the Co-Requisite portion of our class, but you must make this choice during the first 2 weeks of the Fall Quarter. (That is, by 10/8/22.)**
 1. You can take this portion of your course for **credit (even though that credit will not transfer)**.
 - You will *pay for the 2.5 hours* our course.
 - You will be *graded* for this portion of the course. (Your grade will be the same as the 31 portion of our course).
 - The *grade that you receive for this portion of our class will be included in your De Anza College GPA (grade point average)*.
 - You will receive 2.5 hours credit for this course, but *those 2.5 hours are not transferrable to your later university*.
 2. You can take this portion of your course as a **non-credit** course.
 - You will *not pay for the 2.5 hours of our course. That is, this portion of the course will be free for you*.
 - You will be graded for this portion of the course. (Your grade will be the same as the 31 portion of our course), **but** *the grade that you receive for this portion of your class will not be included in (and will not impact) your De Anza College GPA*.
 - You will *not receive any credit for this portion of your course*.
 - You must **Drop** MATH D232.Q02, and **Add** MATH D432.Q02

If you are on a student visa, receiving financial aid, or part of a sports team, College Promise, or some other program that has a minimum unit requirement, you should speak with a counselor or advisor before switching to this non-credit option.

One last item to keep in mind, once you make this decision, there's no going back. You must stay with your final choice.

Note:

- * This is a Tentative schedule and subject to change. We will be following this closely but If I need to make any changes, I will notify you.
- * It is your responsibility to be up to date and current on any assignments, Quizzes and exams dates.
- * Please refer back to this schedule often, and check the announcements on canvas daily.
- * All Quizzes and Exam will be through Canvas.
- * Some Mondays we will meet on zoom but for the most part we will not meet on Mondays. Those Mondays that we will not meet, you will have quizzes/assignments to work on during our class time 9:30-11:45am. All of the assignments will be accessible through canvas.

It is the responsibility of the student to confirm the dates below

- :: 01/09/23 First day of classes
- :: 01/21/23 Last day to add
- :: 01/22/23 Last day to drop a class without a W
- :: Feb 17-20 No Class-No offices
- :: 03/03/23 Last day to drop
- :: Mar 27-31 Final exams Week

Final Exam For Our Class

Thursday Mar 30th, 2023— from 4 AM to 6 PM

Final exam is comprehensive. I will use our 4 exams to make our final exam. This Exam will be on Canvas.

		Chapters/Sections	Mondays	Tuedays	Thursdays
1	Week Of Jan 9-13	Ch 5- Sec 5.1-5.3	Meet on Zoom at 9:30	Meet on Zoom	Meet On Campus
2	Week Of Jan 16-20	Ch 5- Sec 5.4-5.5	School Closed	Meet Zoom/Quiz 1	Meet On Campus
3	Week Of Jan 23-27	Ch 5-6 / Exam 1	Quiz 2 on Canvas	Exam 1- No meeting Exam will be on Canvas	Meet On Campus
4	Week Of Jan 30 - Feb 3	Ch 6	Quiz 3 on Canvas (Ch 6)	Meet on Zoom	Meet On Campus
5	Week Of Feb 6-10	Ch 6	Quiz 4 on Canvas (Ch 6)	Meet on Zoom	Exam 2- No meeting Exam will be on Canvas
6	Week Of Feb 13-17	Exam/Ch 7	Meet on Zoom Start Ch 7	Meet on Zoom Quiz 5 (Ch 7)	Meet On Campus Ch 7
7	Week Of Feb 20-24	Ch 7	School Closed	Meet on Zoom Ch 7	Meet On Campus Ch 7
8	Week Of Feb 27-Mar 3	Exam/Ch8	Quiz 6 on Canvas (Ch 7)	Exam 3- No meeting Exam will be on Canvas	Meet On Campus Ch 8
9	Week Of Mar 6-10	Ch 8	Quiz 7 on Canvas (Ch 8)	Meet on Zoom Ch 8	Meet On Campus Ch 8
10	Week Of Mar 13-17	Ch 8- Ch9(some sections)	Quiz 8 on Canvas (Ch 8)	Meet on Zoom Ch 8	Meet On Campus Ch 9
11	Week Of Mar 20-24	Exam/ Review Final	Meet on Zoom Review for Exam 4	Exam 4- No meeting Exam will be on Canvas	Review Final
12	Week Of Mar 27-31		Final Exam Week - No lectures		

Student Learning Outcome(s):

* Formulate, construct, and evaluate trigonometric models to analyze periodic phenomena, identities, and geometric applications.
