Welcome to ESL 260B/460B!

ESL 260B (credit)/460B (noncredit) is designed to help you sound more fluent and understand spoken American English by learning important pronunciation features such as voicing, grammatical endings, linking, and sound change. You will also learn the proper articulation of troublesome consonant sounds. The goal is NOT to get rid of your accent (because your accent is an important part of your identity) but rather to help you communicate in English effectively.

Student Learning Outcomes (SLOs)

At the end of the course, you should be able to:

1. Demonstrate knowledge of the sound system and patterns of spoken English.
2. Comprehend and respond appropriately to the patterns of spoken English.
3. Apply the knowledge of the sound system and patterns of spoken English by orally producing level appropriate speech that is intelligible and accurate.
4. Demonstrate the ability to analyze one's own speech mistakes and correct these mistakes independently.

Advisory

ESL 251/451 and 255/455 with a grade of C or better, or placement by the ESL assessment. This means that you must have fairly advanced proficiency in English. If you have difficulty understanding the instructor or the information on this syllabus, then you may not be ready for this course. Please talk to me after the first class meeting if you have concerns.

Required Materials

1. ***Well Said, Fourth Edition** by Linda Grant (ISBN-13: 978-1-305-64136-5)
2. Access to a device (a computer is most preferred) with Internet connection, and video and audio capabilities to attend class and complete assignments
3. A small mirror and a rubber band
4. A notebook, a pencil, and a red pen
5. An online advanced English-only, English learner's dictionary

*The textbook must be new and not have any answers, and you must have your own book.

Canvas

All course information, assignments, and lesson materials will be posted online. Go to the De Anza website www.deanza.edu, click on **Canvas**, log in and then select **ESL 260B/460B > Home**. You should be able to see weekly lesson materials and assignments. I recommend that you download the app on your phone for convenience.

Course Requirements

Whether you're taking the class for credit or noncredit, the course requirements are exactly the same.

- ❖ **Attendance:** Even though the class is online, **attendance is required**. You must attend every class by logging into Canvas and going to **Zoom** for every scheduled class meeting. Points will be deducted from your participation grade for each absence. Chronic tardiness will also result in

a lower participation grade. If you join the class late, please tell me and make sure that I erase the absent mark on the attendance record.

If you are going to be absent during the first 2 weeks of the quarter, you **MUST** notify me. If not, I will assume that you are not interested in the class anymore and drop you. You may be dropped from the course or fail the class if you miss more than two classes for any reason during the quarter.

- ❖ **Patience and Practice:** Improving your pronunciation skills in English takes time, commitment, hard work, and A LOT of practice. I am here to help and support you in any way I can, but only **you** can do the work that will enable you to improve your pronunciation skills. Learning a language is like learning to drive. You can read about driving skills as much as you want, but you will never learn to drive until you actually get into a car and practice driving on the road.
- ❖ **Preparedness, Collaboration & Participation:** In order to be successful in this class, you should:
 - Attend every class.
 - Join Zoom at least 5 minutes early and be ready by the class start time.
 - Do assigned homework before you come to class.
 - Bring your textbook to every class.
 - Be actively engaged in what is going in class, e.g. not checking your cell phone, going on social media, surfing the internet, working, driving, etc.
 - Work willingly and cooperatively with your classmates in pairs and groups.
 - Take responsibility for your own learning process.
 - Ask for help if you are not doing well in class (don't wait until the last minute!).
- ❖ **Homework:** There are four types of homework you need to do for this class:
 1. **Textbook exercises:** Some of the exercises in the textbook must be done at home. These exercises will be related to in-class activities so please be sure to do your homework. If you don't do the homework before coming to class or participate in class activities, it will result in a lower homework/participation grade.
 2. **Recordings:** You will be required to submit four recorded assignments that will be evaluated for your pronunciation.
 3. **Pronunciation Power:** You will be required to use this software program to practice specific sounds independently outside of class. I will give more information later.
 4. **Tracking Log:** This assignment is to help you practice pronunciation independently by listening to native speakers online. I will give more information later.

All graded assignments must be submitted in Canvas. Please do not email me late assignments as I will not accept them.

- ❖ **Quizzes:** You will have a few short quizzes throughout the quarter.
- ❖ **Exams:** There will be one midterm and one final exam. Both exams will require a recording as well.

Your grade will be based on the following criteria and scale:

Recordings	45%	97-100	= A+	77-79	= C+

Total	100%	80-82	= B-	≤ 59	= F

You must get at least 60% on the final exam and an overall grade of C (minimum of 70%) or higher in order to pass the class.

Academic Integrity

Except for pair and group assignments, all assignments must be done **BY YOURSELF**. Any form of cheating will **NOT** be tolerated in any case. Cheating includes, but is not limited to:

- Copying from another student's homework, quiz, exam or any other material.
- Having someone else do your assignment and submitting it as your own.
- Submitting an assignment that you've done for another class. If you are repeating this class, you must redo the assignments.

Any student caught cheating will receive an **automatic zero** for the assignment and may even be dropped from the course and/or reported to the Office of Student Judicial Affairs. Students who help someone else cheat in any way will also receive an automatic zero and may also be reported. If reported, the incident may remain as part of your permanent college record. Go to [De Anza College's Academic Integrity](#) for more information.

Classroom Culture

Let us create a positive learning environment for everyone. Be respectful of me as well as your classmates. Even though this is an online class, please dress appropriately, go to a quiet room where you will not be interrupted, and refrain from eating during class. If you have a child at home, make sure the child is occupied elsewhere. Anyone being distracting, disruptive, or uncooperative will be asked to leave the class and reported to the Office of Student Judicial Affairs.

English Only, Please ☺

You are in this class because you want to improve your English skills. If you want to achieve your goal, then you must use English as much as possible. Although there may be other students that speak your language, use English only at all times in this class.

Getting Help

Most successful students get extra help on their assignments from their instructors. Please email me or come to my zoom office hours (or request an appointment if those times do not work for you), even just to say hello, and I'd be more than happy to help you in any way that I can. If you experience any difficulty in the course, come see me early in the quarter.

Writing Emails

The best way to get in touch with me is via email. I will check my email daily from Monday through Friday and I will do my best to respond to you within 24 hours. Please check your email often because I will send important messages via email, especially since the class is fully online.

It is important to write a grammatically correct and appropriately formatted email for school or work to make a good impression. If you don't, you can make a bad impression and even offend the receiver.

1. Write something short in the subject line to describe the main purpose of the email. For example, you can write *I'll be absent*, *Homework*, *Can I make an appointment?*
2. Always include a greeting and a comma. For example, *Dear Mrs. Yee*, or *Hi, Linda*. It is not polite to address your instructor only by their last name, e.g. *Dear Yee*.

3. Introduce yourself. For example, "This is John Smith from your ESL 260 class." Remember that your instructor has many students and some students have the same name. Also, some of you have an email address in a foreign language, so don't assume that your instructor can read it.
4. Grammar and spelling are also very important. If your email has a lot of errors, it will seem careless and make a poor impression.
5. Always end your email with a complimentary closing with your name. For example, *Thanks* or *Thank you*.
