Mondays & Wednesdays 12:30-3:15

Class and Lab Room A-51

De Anza College Winter 2025

Instructor: Gustavo Martinez

Email: martinezgustavo@fhda.edu Office # A-33

Office Hours (Open Lab): MW 3:15-4:15, TTR 12:15-1:15

Prerequisite: Art 18B

Course Description: Techniques of hand building and wheel throwing construction combined: experimental glazing and texturing treatments. Aesthetics and creative development of clay objects examining historical, contemporary, and personal modes of expression across cultures will be covered. Students will build a working knowledge of ceramic processes as a means to communication and self-expression within the ceramic medium and creative process. Studio assignments will vary in length and involvement and will be followed by group critique. Engaged participation in critiques is mandatory and essential for your progress. Students are expected to challenge themselves within the parameters of each assignment, as well as to adopt a collaborative, engaged, and helpful attitude in the classroom. Basic studio maintenance and cooperative kiln loading/unloading is considered part of the class. At the end of the quarter, there will be one mandatory, in-person studio cleanup, final critique and potluck.

Student Learning Outcome (SLO)

Demonstrate competency in wheel throwing combined with hand building construction techniques.

Demonstrate competency in glaze application.

Course Objectives:

Demonstrate working knowledge of creating with purposeful intention.

Classroom Etiquette

Respect yourself, other class members, visitors, and the space we share.

Clean up after yourself. This includes the worktables, floor, and shared counters and sink. Each class may also have an assigned weekly cleanup task for the classroom.

Arrive on time and stay for the scheduled class period. If you must arrive late or leave early, please do so with as little disruption of the class as possible.

Come to class prepared, with any needed supplies and books, and with homework completed. I will do my best to notify you in advance of supplies you will need.

Please turn cell phones off during class. If you must stay in contact with work or family, turn off the cell phone ringer. Use your phone outside the classroom during break or after class.

During class work time, please keep personal conversation to a minimum, and use a quiet voice. You may listen to music devices with earphones, but be prepared to remove them to communicate with the instructor or to resume class discussions.

When anyone is addressing the class as a whole, please listen attentively. All in the room appreciate others not having personal conversations during lectures and discussions.

During critiques, please keep all comments respectful. Honest and constructive criticism, without voicing negative judgments, can be very useful to the artist.

It is not appropriate to bring children or pets to class.

Please consider that there are people with sensitivities to strong odors, such as fragrant colognes or oils. All would appreciate minimizing your use of strongly odorous substances.

No flip-flops, sandals, or open shoes, only close-toed shoes. There is loose glass in the studio.

No food or sugar drinks in the classroom.
